Image 2: Modified tensioner pulley 531 0885 10

As part of our continuous efforts to improve our products, Schaeffler Automotive Aftermarket has modified tensioner pulley 531 0885 10 (Fig. 2). This means that it can be used for all of the stated engine variants. Tensioner pulley 531 0810 10 (Fig. 1) is no longer required.

Both versions comply with the technical specifications and can be used without restrictions.
We may have mixed stocks during the transitional period.
