

# VCF355

## Cabin Filter Location

### Makes/ Models

Filter Type: Standard

#### BMW

1 Series E87 (4/05->)

3 Series E90 (3/05->)

Difficulty: Easy  
Time (Approx) 5 Mins

1. The filter is located centrally under the bonnet under the plastic cover just beneath the windscreen.
2. Remove the cover and unclip the filter from the top edge to remove.
