

VCF363

Cabin Filter Location

Makes/ Models

Filter Type: Standard

Citroen LCV

Relay Mk 2 (07->)

Peugeot LCV

Boxer Mk 2 (07->)

Difficulty: Medium
Time (Approx) 15 Mins

1. The filter is located on the passenger side of the engine underneath the plastic cover at the base of the windscreen.
2. Remove the windscreen wipers then unscrew and remove the plastic cover.
3. Remove the plastic filter housing beneath this to access the Cabin Filter.
