

VCF367

Cabin Filter Location

Makes/ Models

Filter Type: Standard

Honda

Accord (9/03->)

Difficulty: Medium
Time (Approx) 15 Mins

1. The filter is located on the passenger's side of the vehicle behind the glove compartment.
2. Unclip the retainers of the glove compartment to allow it to hang down so you can see the filter cover behind it.
3. Unclip and remove the filter cover to access the Cabin Filter.
