

VCF368

Cabin Filter Location

Makes/ Models

Filter Type: Standard

Honda

Jazz Mk2 (3/02->)

Difficulty: Easy
Time (Approx) 10 Mins

1. The filter is located in the cabin behind the glove compartment.
2. Pull out the shelf in the glove compartment to expose the filter casing behind it.
3. Pull out the white plastic carrier which holds the cabin filter to change it.
