

BULLETIN 0001

Heavy Duty Options

Available since January 2006 are optional updated/heavy duty Water Pumps for Volkswagen Audi Group applications where First Line Part numbers FWP 1113 and FWP 1696 are currently listed in this catalogue.

These premium pumps are manufactured to exacting OE specification incorporating a new 4 point angular contact bearing and utilise a silicon carbide seal.

FWP 2074

Equivalent to OE reference 037 121 005C

fits all applications stated in this catalogue for **FWP 1113**.

FWP 2075

Equivalent to OE reference 037 121 010C

Fits applications where **FWP 1696** is listed.

Supply of FWP 1113 and FWP 1696 for applications stated are not affected.
